DRUM MAJORETTES

Betty Jermann, Margy Smith, Lorraine Smith, Bettyrose Blake, Irma Roesen, Virginia Patterson and Virginia Lethlean, the majorettes for the Camas Band, have in the past two years worked very hard for the positions they now hold. The team has entered three twirling contests and has won prizes in all three.

The twirlers accompanied the band to Kelso, Longview, Vancouver, White Salmon and Hood River, during football season, adding attraction in their white satin costumes to the red-suited band.

In the annual Rose Festival Parade in Portland, the seniors—Betty Jermann, Margy Smith, and Lorraine Smith—will accompany the band for the last time during their twirling years. The remaining members will attempt to carry on, with the aid of the band and the school, to another successful year.
